**Membership Dues**

All membership dues were supposed to be in by April 1, 2010. However, no reminder notice was sent out to every member after the first of this year, so as your new Secretary I have extend the late date until May 15<sup>th</sup>, 2011. If you have not paid your dues by that date you will need to reapply for membership at one of monthly board meetings.

Here is the info on dues:

Vancouver Rifle and Pistol Club Membership Costs

VRPC Yearly Dues:	\$70.00
Senior Dues:	\$45.00 (Age 62 and older)
Life Membership Dues:	\$700.00

Mail Membership Dues to:  
VRPC Membership Renewal  
P.O. Box 821242  
Vancouver, WA 98682

Please note the annual dues are due on January 1<sup>st</sup>.

Your Membership to VRPC is a household, so for any family members living with you that you can write off for taxes do not need to apply for their own membership. They can get a card for the cost of the card and can go to the range without the primary member. If you have any questions on this please contact me.

The member household is only allowed 2 guests per a visit. So if two members from the same household you can only bring 2 guests not 4 guests.

### **Schedule Club Maint/Improvement Projects:**

Here are lists of projects that will be done over the next couple of months

- Finish connecting the fans to the light switch
- Replace electric wiring fan motor
- Do the lead removal for the outside ground

### **Special Projects:**

My name is Benjamin Curtain, and I am a member of Vancouver Rifle and Pistol Club and shoot on the Jr's program with Mr Spitzer for the last 2+ years. I am one step away from my NRA Distinguished Expert rank and hoping to achieve that this summer.

My involvement with the Boy Scouts started when I was 7 years old as a Tiger Cub, and now 9 years later I am a Life Scout. A Life Scout is one step away from Eagle Scout. To achieve the rank of Eagle Scout I need to do a service project that benefits a non-profit non-scouting group.

I would like my project to benefit The Vancouver Rifle & Pistol Club. I discussed project options with Mr Tony Fraiser. The suggestion I received from him was to build a retaining wall to increase parking, and landscape the area around the new retaining wall to increase visibility and safety for our members and the public.

The benefit to Vancouver Rifle & Pistol Club and specifically the Jr Olympic program is safety. Currently the parking lot fills up fast, and overflow parking is available across the 78th street. 78th street is very busy with no crosswalks close by.

### **Fundraiser for the Service Project:**

May 7th, 5pm - Concealed Carry Class - \$50

Class exceeds requirements for:

- Utah Concealed Carry Permit
- Oregon Concealed Carry Permit
- Washington Concealed Carry Permit

Class includes:

- Applications
- Fingerprinting
- Passport Photo
- Copy of Driver's License

This is a fund raiser for the Vancouver Rifle & Pistol Club to complete a service project to expand the parking lot by putting a retaining wall, and landscaping for added safety.
