

**VANCOUVER RIFLE AND PISTOL CLUB  
MEMBER AGREEMENT**

I have attended a period of instruction, given by \_\_\_\_\_ on the date of \_\_\_\_\_ during which I was familiarized with the duties, tasks and responsibilities of being a member of Vancouver Rifle and Pistol Club. (New Member only)

I understand these duties, tasks and responsibilities of being a member of the Vancouver Rifle and Pistol club and promise to vigilantly and thoroughly enforce, uphold all club safety rules and other rules and policies.

It is my duty as a member to report any violations, to the board, observed or encountered by other shooters while in the club shooting. I will use my judgment for those situations that are not clearly defined so as to preserve the safety of all.

By agreeing to the rules and regulations, the Vancouver and Rifle and Pistol Club will issue to me a key to the Club so I may use the Club facilities for my personal use during times when the club is not being used by scheduled shooting events.

I understand that I may bring guest(s) who may use the club with me. I am responsible to make sure that my guest(s) abide by the rules of the club. The guest(s) will sign the safety rules, comply with them, and pay the \$2.00 applicable fee.

Should I fail to perform the duties with which I am charged as a member of the Vancouver Rifle and Pistol Club. I understand that the Vancouver Rifle and Pistol Club Board of Directors could revoke my membership status, at which time I must surrender my key to the club as well as my membership card. Future membership status will be denied unless the Board provides its consent.

I realize and affirm that I am a representative of the club and the firearms community in general and promise to uphold the trust placed in me and to act in a responsible, ethical, and professional manner.
